## PRESS RELEASE

# ALPINE to build sport and concert complex in Baku, Azerbaijan

**Baku/Salzburg:** ALPINE has recently received a contract for a multi-purpose hall in Baku, Azerbaijan. ALPINE Bau Deutschland AG, a 100 per cent subsidiary company of the ALPINE Group, is responsible for the planning and construction of the arena. Project partners are gmp International GmbH, the Swiss companies Nüssli AG and Basler & Hofmann AG, as well as seele austria GmbH & Co. KG and SSF Ingenieure AG from Munich.

Gaining the contract for the construction of the "Baku Crystal Hall" underscores ALPINE's skills in the construction of stadiums and events venues and demonstrates the trust that Azerbaijan's State Committee on Property Issues has in the ALPINE construction group.

Building operations on the site at National Flag Square have already begun. The arena will hold around 25,000 spectators.

### ALPINE Stadiums

Concerning the construction of modern sports venues, ALPINE has extensive experience which the company with operations worldwide has proved on a number of occasions. These include three football stadiums for EURO 2012™ in Poland, the Allianz Arena in Munich, the extension or reconstruction of three stadiums for EURO 2008 in Austria or the International Cricket Stadium in Dubai.
