PRESS RELEASE

ALPINE signed contract for Hotel in Warsaw

- **Contract value EUR 32 millions**
- **ALPINE as general contractor**
- **Renaissance hotel group as operating company**
- **Company presence in Poland will be expanded**

Salzburg/Warsaw: ALPINE consortium (ALPINE Construction Polska Sp.zo.o and ALPINE Bau Deutschland AG) signed a contract as a general contractor to built the Renaissance Hotel on the Chopin airport in Warsaw. The five-star-hotel will be transfer as ready-to-use to the client Przedsiębiorstwo Państwowe "Porty Lotnicze". The hotel will turn to one of the most prestigious project on the airport.

For the ALPINE group Poland is a very interesting and attractive market. Apart from the large-scale projects such as the construction of stadiums and the ongoing infrastructure projects, with this contract ALPINE will enlarge its presence in Poland and can even underline its high competence.

The Hotel

The five-star-hotel will have a floor space of 16.756m², with 225 rooms on eight floors. Restaurants, conference rooms, swimming pool, fitness and wellness area as an underground garage are planned.

The design comes from the architect JEMS ARCHITEKCI Sp.z.o.o. The ground plan represents a rectangle where the entrance and conference area will be situated.

ALPINE competence in hotel construction

ALPINE has a great competence in hotel construction especially via the ALPINE Bau Deutschland AG, a subsidiary of the ALPINE group. They built or have under construction among others like the Empire Riverside in Hamburg, the deluxe Hotel Villa Kennedy in Frankfurt or the five star hotel in the „Zoofenster Berlin“. In Vienna/Austria there have been finished a hotel construction in the area of „Viertel Zwei“.
